Relative to the next level we are pleased to announce the launch of Secure Access, an online security initiative which will make your Netbanking transactions more safe.

Two key points you need to note- :

As a part of Secure Access, logging into HDFC Bank Netbanking is now a two step process. After keying in your customer id on the first screen, we will take you to the next one where you can enter your password.

Secure Access has an innovative Multi-layered Authentication Process, which is required to register for conducting ANY DirectPay Transaction. A personalized picture and message will help you identify fraud sites.

This online security measure has been introduced to protect your account from fraudsters and hackers. Just follow the four easy steps to register, and ensure your transactions are safe and secure! Click here to know more on Secure Access.
